MAKEPOVERTY**HISTORY PETITION**

Dear Helen Clark,

As a supporter of the **MAKE**POVERTY**HISTORY** campaign, I am urging you to take action on poverty. Millions across the globe have come together to demand urgent and meaningful policy change in critical areas: AID, TRADE, and DEBT. Here we also demand to end child poverty in New Zealand.

As Prime Minister of Aotearoa New Zealand, you have the power to make the right decisions that can help lift millions of people across the globe out of poverty. The New Zealand government must rise to the challenge and help **MAKE**POVERTY**HISTORY** now.

Names and addresses are required to ensure the petition can be validated by those receiving it. Please tick the box next to your email address if you don't want to receive updates about **MAKE**POVERTY**HISTORY**. We will not pass on your name and email address to anyone else.
